

ABDULLATIF NIZAMANI

JAVASCRIPT DEVELOPER

PROFILE

I am a JavaScript developer with 1.5 years of experience. I excel in problem-solving and have built a complex scheduling algorithm for an app. My expertise includes both front-end and back-end development ensuring seamless user experiences and efficient code. Passionate about continuous learning and improving my skills, I strive to deliver high-quality solutions in every project I undertake.

WORK EXPERIENCE

- Freelance 2023 - PRESENT
- Code for Pakistan 2024 - PRESENT

PORTFOLIO

Chat Application for School's LMS FEBRUARY 2024

- Built a chat app for a school's LMS for online studies resulted in students spending more time on their LMS and improved grades.
- Featured rooms for different grades and subjects.
- Allowed students to create and invite others to custom rooms.

Festival Schedule Generation App DECEMBER 2023

- Built the core scheduling algorithm handling multiple user inputs, busy timings, and preferences.
- Improved time complexity with efficient data structures and algorithms resulted in fast response to users in high traffic.
- Fixed bugs related to dates and timezones for festivals created in different timezones.

HOBBIES AND INTERSTS

- Book Reading.
- Reading blogs about tech.
- Blockchain and Crypto.
- Teaching Kids About Computers and Tech.
- Constructive Discussions And Debates.
